

### **Rev. David and Ms. Norma Moreland**

Churches Served: The Morlands served churches in Tennessee, Kentucky, Alabama, and Illinois. David and Norma taught at the Illinois School for the Visually Impaired in Jacksonville, Illinois, for over 20 years, following the adoption of their daughter, Mary Elizabeth, who is blind.

Offices Held: Rev. and Mrs. John David Moreland were graduates of Bethel College where they met in 1961. They were married in 1963.

Information provided by the donor: Shiloh Cumberland Presbyterian Church of Virginia, Illinois, has chosen to honor the couple who attended Shiloh during the years. They taught at Illinois School for the Visually Impaired. Occasionally, Rev. Moreland would preach when Shiloh's pastor was away from the pulpit. He would often slip a check into the offering plate designated for the Cumberland Presbyterian Children's Home, which was close to his heart. Following Rev. Moreland's death in 2009, Norma and Mary Elizabeth faithfully continued to remain active at Shiloh, where Norma has served as Elder, CPW president, and chair of the Pastoral Care Committee.
