By registering for classes at Bethel, I acknowledge that I am entering into a legally binding contract with the University to pay all tuition, room, meal, and other fees charges assessed by Bethel. The balance due must be paid by the semester due dates.

I understand that in the event of non-payment, I will lose the privilege of continuance in the program and my Bethel University transcript or grades will not be released until all outstanding indebtedness is satisfied in full. I further understand that the calendar for my selected programs of study will be set by Bethel University, and I agree to the terms and conditions set forth by the calendar and fee structure. I am responsible for fees associated with class drop/add if I fall below full-time status or completely withdraw from Bethel. If Bethel is required to return Federal Title IV funds (federal aid) or federal veteran benefits as a result of my dropping of classes or withdrawal (unofficial or official), I acknowledge and agree that I am responsible for the repayment of the Federal Aid to the University.

I agree to pay Bethel University all attorney fees, court costs, and other collection costs and charges for the collection of indebtedness not paid when due. I further agree to reimburse Bethel University the fees of any collection agency, which may be based on a percentage of the indebtedness at a maximum of 50% and all costs and expenses, including reasonable attorney's fees, incurred in such collection efforts. Additionally, I agree that in the event that I withdraw, or lose student status, from Bethel University, the provisions for refund in the Bethel University catalog will be applicable and I will immediately pay any net amount that may be due to Bethel University and/or incurred collection costs at that time, including any necessary collections costs, charges and fees. I understand that any charges incurred during my enrollment period(s) at Bethel University, an I. R. C 501 (C)(3) not-for-profit organization, shall be considered an educational benefit and therefore non-dischargeable.
